

## **ADDENDUM**

THIS ADDENDUM TO THE Dairy Energy Efficiency Program Application (Application) is effective as of January 1, 2009 (Addendum). The purpose of this Addendum is to allow work to continue under certain 2006-2008 energy efficient programs until the California Public Utilities Commission (CPUC) makes a final decision on the 2009-2011 energy efficient Application.

1. On October 16, 2008 the CPUC issued a Bridge Funding Decision authorizing funding for work performed after December 31, 2008 and until the date which is no later than three months after the effective date of a final decision by the CPUC on the 2009-2011 Application, or December 31, 2009, whichever occurs first (Bridge Funding Period).
2. For those projects under this Program which work may be done or completed after the Bridge Funding Period, any payments made to customers will be subject to CPUC approval and in accordance with the CPUC's final decision on the 2009-2011 Application.
3. The Incentive rates under this Program for Non Residential Retrofit (NRR) and/or Non-Residential New Construction (NRNC) shall be as follows:
  - Lighting: \$0.05/kWh and \$100/kW
4. The remaining terms of the 2006-2008 Application, as amended, restated, supplemented or modified under this Addendum shall remain in full force and effect for such Bridge Funding Period. In the event of any inconsistency between the terms of the 2006-2008 Application and the terms of this Addendum, the terms of this Addendum shall control.

I have read and agree to the terms and conditions in this Program Application and its Addendum.
