

PowerSaver Rewards

A portal to PJM Energy Efficiency Resource

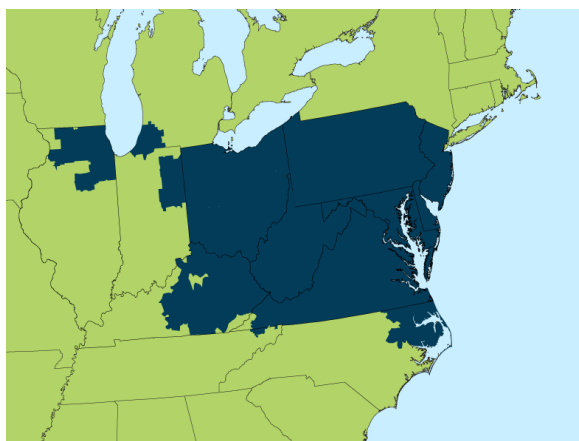

Incentives available for your completed energy efficiency projects!

The **PowerSaver Rewards Program** provides cash payments for completed energy efficiency projects. Earn a reward for something you have already done and sign up any new projects for maximum benefit. The acceptance process is simple and easy with minimal paperwork.

Who is funding this and why?

PJM is a regional transmission organization that coordinates the movement of wholesale electricity throughout parts of 13 states. They are willing to pay for projects that reduce electricity consumption and contribute to grid reliability.

What projects are eligible?

Installations completed since June 1, 2015 may be eligible for incentives! Lighting projects are currently eligible, with more projects being approved soon.

How much will I be paid?

It depends on your location, the energy savings of your project, and when you installed. The schedule below shows how many years of payments you can expect based on your project completion date.

Projects Completed Date	Eligible Payment Years
June 1, 2015 – May 31, 2016	1
June 1, 2016 – May 31, 2017	2
June 1, 2017 – May 31, 2018	3
June 1, 2018 – May 31, 2019	4

How do I get started?

Call EnSave at (800) 732-1399 and we will help determine eligibility. If you qualify, we will record your installed energy efficiency projects and send you an authorization letter. We then determine your energy savings and notify you of the schedule and amounts of your PowerSaver Rewards payments.
